K483 Antique Sterling Oak

## Your benefits at a glance.

### GUARANTEE

All KronoOriginal® laminate floors are put through a series of rigorous tests in order to comply with international quality standards, which is why we grant an extensive residential warranty with every product (detailed terms of guarantee: [www.krono-original.com](http://www.krono-original.com)).

### STAIN AND IMPRINT RESISTANT

Whatever you might spill, whether red wine, oil or coffee, don't panic; it can be easily removed. KronoOriginal® is also abrasion resilient, robust and durable.

### ECO FRIENDLY

All KronoOriginal® floors are environmentally friendly as standard made of up to 90% wood sourced from sustainably managed forests. What's more, the entire production chain – from raw materials to the finished product – has been certified and is regularly inspected by independent experts, ensuring peace of mind for you – and protection of our environment.

### 4-SIDED BEVELLED EDGES

The planks have bevelled edges on all four sides of the panel to ensure an authentic floorboard appearance.

### A.B.C. ANTI BACTERIAL COMFORT

Keeping your flooring as clean and free of bacteria as possible is naturally a major concern. A KronoOriginal® A.B.C. Anti Bacterial Comfort inhibits the growth of bacteria on your flooring and provides you with the peace-of-mind that comes from a healthy home environment.

### AUTHENTIC EMBOSSED

The high quality Authentic Embossed structures feature elegant contrasting and a thrilling multi-gloss effect that emphasises the depth of the structure with matt and gloss elements that reflect the light differently. The synchronous pores follow the grain of the decor, meaning they flawlessly mimic the character of natural wood.

### INSTALLATION

The KronoOriginal® installation systems have been specifically designed to make fitting your laminate flooring as easy and hassle free as possible. The click profiles allow individual panels to be joined together quickly with minimal tools or complications.

### UTILIZATION CLASS / AC RATING

AC4 – Class 23/32 (EN 13329)  
Suitable for living areas with heavy utilization and commercial areas with medium utilization.

### Textures:

\*Tested germs: Staphylococcus aureus
